

Uneven-Aged Management Outreach Project Contact Form

Are you interested in uneven-aged management or the Category 7 Quality Improvement Silviculture Program?

If so, please tell us by filling out this form.

*The following information is being collected by the Uneven-Aged Management Outreach Project on behalf of the Association for Sustainable Management (ASF) in order to create a list of woodlot owners and contractors who may be interested in receiving information about uneven-aged management and the Category 7 Quality Improvement Silviculture Program. All information is the property of the ASF and will be used only for purposes outlined in the Forest Sustainability Agreement dated March 31, 2009, between the ASF and the Nova Scotia Department of Natural Resources (NSDNR). This project is being conducted by the ASF in cooperation with the Nova Scotia Woodlot Owners and Operators Association and Picea Forestry Consulting. It is funded by NSDNR. **If you have any questions about this project, please contact us at 902-673-2278 or outreach@asforestry.com***
