June 2010

Dear ASF Category 7 Participant,

Please note that all available funding for Category 7 treatments (selection management, crop tree release and crop tree pruning) has been allocated to applicants who were on last year's waiting list. A new list is being compiled for those who would like to be considered for funding at the first available opportunity.

At this time, only the **Silviculture Funding Request Form** is required for application to the waiting list.

The Category 7 treatments include:

- 1. Selection management** – *All current funding has been allocated for 2010-11*
- 2. Crop tree release** - *All current funding has been allocated for 2010-11*
- 3. Crop tree pruning** - *All current funding has been allocated for 2010-11*

The criteria for these treatments are available elsewhere on this website (www.asforestry.com). Please refer to the website for all relevant forms and procedures.

Regards,

David Sutherland, RPF
