### FUNDING REQUESTED

Landowner Name	Woodland Location (including county)	Treatment Type	Rate (\$/ha)	Area (ha)	Funding Requested (not including HST)
				<b>TOTAL FUNDING REQUESTED</b> (not including HST)	

Please note the following caps on funding requests:

- 1) The maximum funding that can be requested for one woodland owner is **\$20,000.00**, with exception for Category 6&7 treatments with funding cap of **\$50,000.00** (not including HST).
- 2) Additional funding has to be pre-approved by ASF.
- 3) **Assigned budgets will be allocated and tracked based on the payee (not the applicant).**

Funding will be allocated based on a percentage of the total **REQUESTS** for program funding. Applicants will be contacted with the amount of funding granted and will have two weeks to submit confirmation (application & fee) to the **Association for Sustainable Forestry**, along with proof of public liability and property insurance (5 million) and Worker's Compensation Insurance or private insurance. WCB & insurance is not required if working on your own lands.
