### MECHANICAL SITE PREPARATION PILOT PROGRAM

APPLICANT NAME: \_\_\_\_\_

Address: \_\_\_\_\_  
ADDRESS CITY PROVINCE POSTAL CODE

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_ Email: \_\_\_\_\_

#### FUNDING REQUESTED

<u>Landowner Name</u>	<u>Woodland Location (including county)</u>	<u>Harvest Date</u>	<u>PID</u>	<u>Area (ha)</u>	<u>Funding Requested (not including HST)</u>
				<b>TOTAL FUNDING REQUESTED (not including HST)</b>	

**\*Please note that funding for this program is very limited**

- 1) Request MUST be approved prior to any claim being submitted/paid.
- 2) Site must have 2 or less growing seasons since harvest took place.

Funding will be allocated based on a percentage of the total **REQUESTS** for program funding. Proof of public liability and property insurance (5 million) and Worker's Compensation Insurance or private insurance must be submitted to the **Association for Sustainable Forestry** with claim if request for work is approved. WCB & insurance is not required if working on your own lands.
